

TREND REPORT

Maison & OBJETS

FLORENCE DEAU, interior designer, blogger on flodeau.com and jury member on Maison & Objet's 'Les Découvertes', curates her favourite picks from the design show's 2012 offerings, exclusively for BAZAAR INTERIORS

MONO THEMIS MOBILE DESIGNED

BY CLARA VON ZWIEGBERGK

Due to its delicacy and playfulness, this sophisticated geometric mobile is a decor piece that can appeal to both an adult and young audience; a colour palette ranging from pastels to vivid fluorescents makes it fit for any design scheme. artecnicainc.com

CALI VASE

BY KARIM RASHID

Cali is a minimalist Limoge ceramic vase inspired by Ottoman calligraphy. The simple writing line has poetically become three small bud vases. I love this fresh take on calligraphy. gaiagino.com

XXX TABLE

BY JOHANNA GRAWUNDER

Sometimes it is hard to draw a line between design and art - this spectacular coloured glass coffee table blurs that line. XXX is total eye-candy with its pure minimalist elegance seasoned with a burst of flamboyant colours. glasitalia.com

COORDINATION & ADDITIONAL WORDS BY PRATYUSH SARUP

FOLK RUG

BY SYLVAIN WILLENZ

What makes this rug truly special is the updated play on tradition with softly-coloured geometric patterns that will brighten up the most monochromatic of rooms. chevalier-edition.com

HYDRA LAMPS

BY MASSIMO CREMA AND ERMANNO ROCCHI

Only two words, sophistication and poetry come to mind when you witness the beauty of these stunning glass-blown pendants. Displayed in clusters, they are ideal for grand stairwells and high ceiling lounges. melogranoblu.com

BLACK SWAN VASE

BY HARRY ALLEN

The collection of a series of limited-edition Gaia vases designed by Harry Allen and decorated with feathers and Swarovski elements is fun, exclusive and very glam! gaiagino.com

DOUBLE HERKIMER

BY ARIK LEVY

Named after the exceptionally clear quartz crystal from Herkimer County, New York, this family of coloured crystal candleholders is a fun, abstract, topsy-turvy collection of stunning table art. gaiagino.com

CAGED BEAUTY

BY GRIETJE SCHEPERS

Made from laser cut sheet metal, this series of the most intricately crafted birdcages works effortlessly as an elegant and delicate lighting object. You could obviously house your favourite feathered friend in it too. jspr.eu

STEEL CABINET

BY SYLVIE MEUFFELS

Re-visiting the old, sometimes out-of-fashion display cabinets, this collection of stripped-bare, glass enclosed metal frames is an ultra-elegant frame for your most precious belongings. jspr.eu

STAR VESSELS

BY DAVID ADJAYE

This stunning collection of geometric copper vases and centrepieces lined with black Swarovski crystal fabric carries the unmistakable signature of top British architect Adjaye. gaiagino.com

TRENDS

CROWN

BY GRIETJE SCHEPERS

This rather massive yet airy pendant light is an astonishing piece made of soft laser-cut PVC, forming the most amazing shadows when lit. Its colour magically fades from solid to white and back again. jspr.eu

SHYAK LAMP

BY AMANDA BETZ

This beautiful and intricate light is inspired by the marvellous architectural shapes of the Iranian Mosque Sheikh Lotfollah in Isfahan. The shadows it projects on surrounding walls are simply enthralling. gaiagino.com

GRANDLIER

BY LOZABBERTON

Grandlier is an astonishing collection of flat-pack pendant lights and lamps made of future-friendly materials. Their lovely designs are inspired by elements of the nature in Tasmania, like tree leaves and plant grains. whodidthat.com.au

FAUTEUIL ILLÜ

BY FRANK LEFEBVRE, BASTIEN TAILLARD FOR BLEU NATURE

This eco-friendly outdoor sofa literally borrows its codes from micro-architecture and is reminiscent of an intimate wooden shelter hidden in a forest. bleunature.com

ARM CHAIR

BY MARCOS SANTOS

This sculptural cocoon-shaped lounge chair is all about organic curves. Its beautifully crafted body is meant for cushions in on-trend acid pop colours to enliven any space. branca-lisboa.com

PARADISE

BY BANTI FABRIC

Swedish design duo Bantie makes some of the loveliest fabrics. Paradise, with its cute fantasy bird designs is all about creating a big impact. bantie.se

CUT VASE

BY DEFNEKOZ

This mirrored, blown glass and silver vase collection adorned with Swarovski crystals is more than a sparkly statement. gaiagino.com

TWIST CHAIR

BY TONI GRILO

Twist is a remarkable wooden setting with an astonishing sculptural look. This sleekly sliced seating made of oak strips gives the piece an intriguing twisty movement. tonigrilo.com

MATRIX

BY CONSTANTIN BOYM

This tabletop object - that can be used to display fruits or hold a candle - has a mysterious design that encourages the interplay of light and crystal. The blocks appear suspended in the air. Intriguing and poetic. gaiagino.com

SURPRISE MIRROR

BY STEPHEN JOHNSON

The quintessential gift bow is both a visually stunning object and a multifunctional light cum mirror. Fun and cute, it has that surreal yet familiar charm designed to make you smile. artecnicainc.com

TOP TRENDS

- Invest in pieces that show off the unique way they're made: the material, using the latest technology or craftsmanship. Let the form shine through.
- Fine-cut work is a key trend. Be it in fabric, metal or wood; for your lamp or your serviettes, delicate patterns detailed to perfection will define 2013.
- Candy colour pops in acid tones will brighten up any space. Invest in a statement piece and go big with it.
- The monochromatic palette is still timeless. Amp up its scale and keep the patterns fresh to update this classic.
- Being eco-friendly is not just a social statement, it is also the direction all design lovers are headed in. Invest in a restored and up-scaled heritage piece or bring home something new made of salvaged wood.
